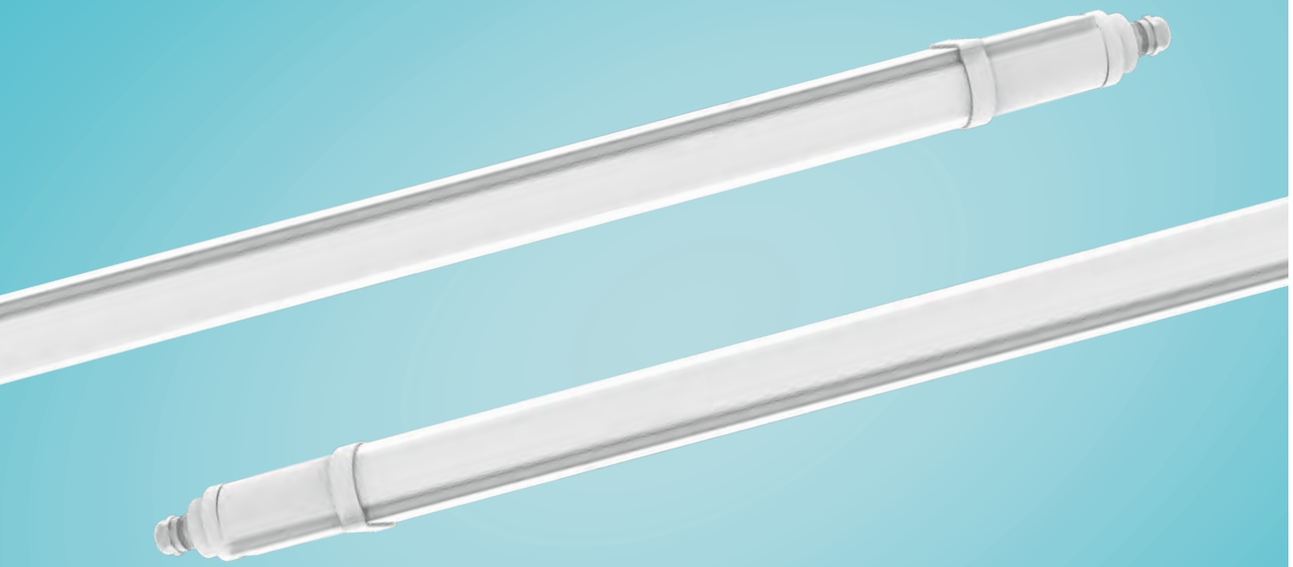
HALLEY SERIES
LED TRI-PROOF LIGHT
20W-50W



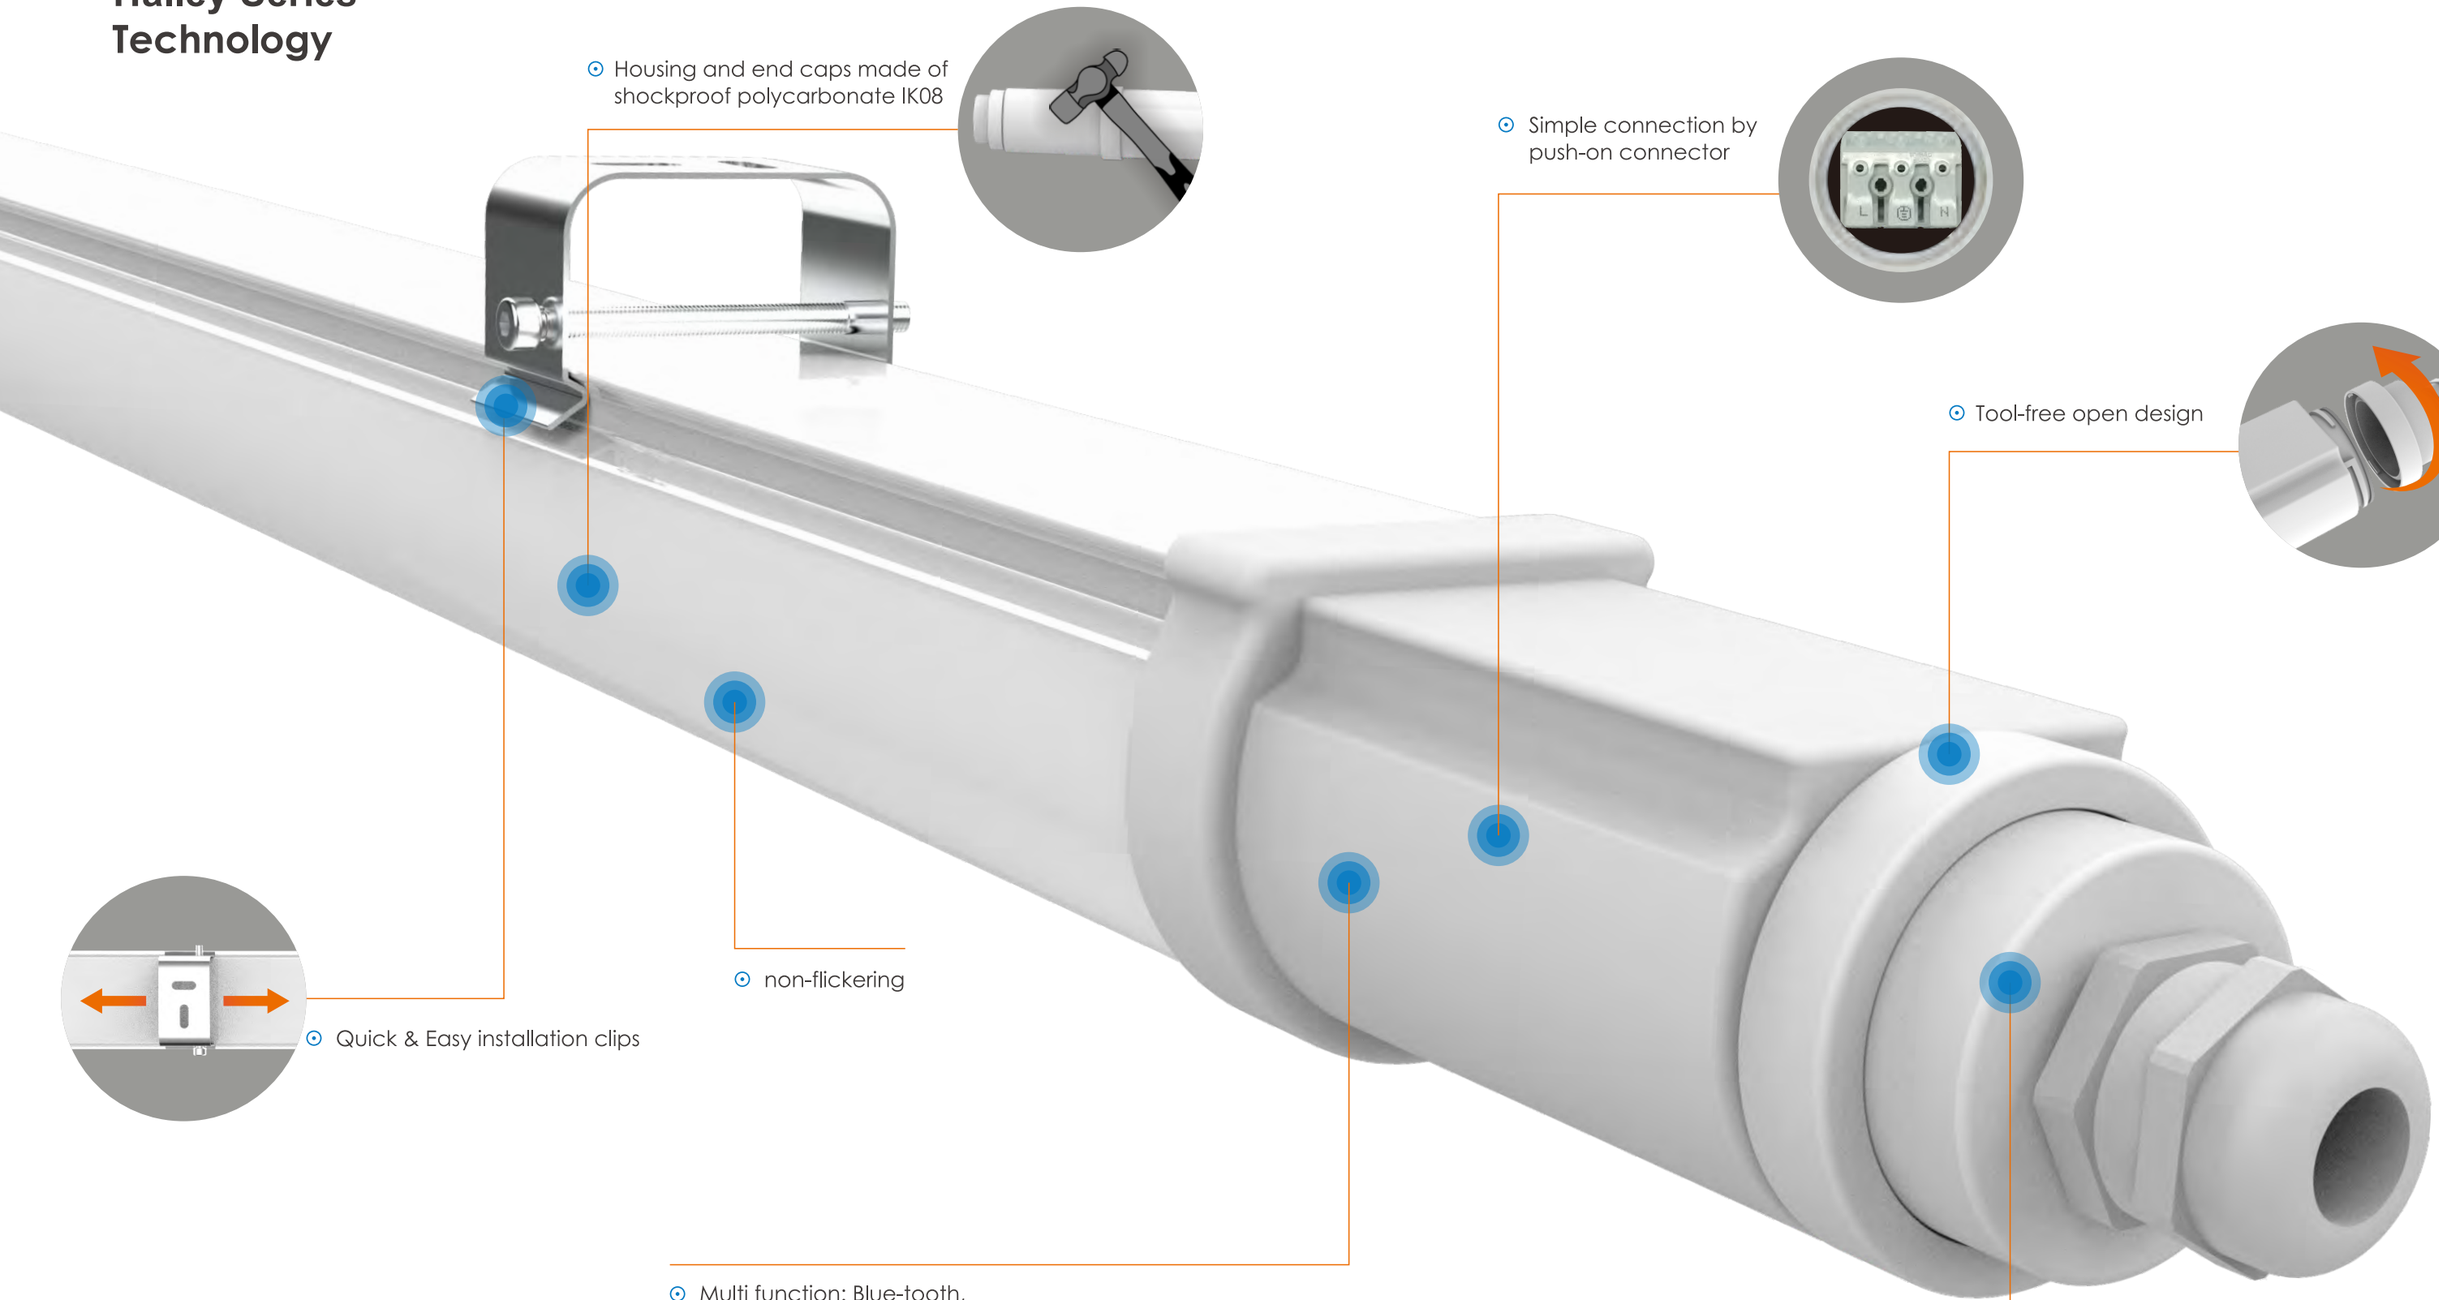
Features

- Tool-free assembly ;
- Wateproof Protection: IP65
- Impact protection: IK08
- With 3*1.5mm² go through wiring for series connection ;
- Multi-function: Blue-tooth, motion sensor for choice
- Hight efficient up to 150-160lm/W

Application

Widely used in all types of production line,
parking lot, factory, shopping mall, and supermarket.
It can replace traditional tri-proof lamp

Halley Series Technology



- Housing and end caps made of shockproof polycarbonate IK08
- Simple connection by push-on connector
- Tool-free open design
- Quick & Easy installation clips
- non-flickering
- Multi function: Blue-tooth, motion sensor for choice
- With 3*1.5mm² go through wiring for series connection

Photometrics

- Luminous efficiency up to 150-160 lm/W
- Colour rendering index Ra 80
- Symmetrical light distribution
- LED rated life 50,000 h (L80, B10)
- Replacement for fluorescent lamps

Technical Parameter

Model No.	System Power	Length(mm)	Luminous Efficiency	Weight(kg)
MS-LL1860-50B	60W	1800mm	150-160lm/W	1.0
MS-LL1550-50B	50W	1500mm	150-160lm/W	0.8
MS-LL1235-50B	35W	1200mm	150-160lm/W	0.65
MS-LL0620-50B	20W	600mm	150-160lm/W	0.4
